Tuition Model Rules/Definitions

On-Campus vs. Online

On-Campus students may take online courses. Will be billed on-campus differential rate, capped at 12 credits for all enrollment.

Online students will be billed per credit differential online tuition rate, with no cap. Mandatory fees are capped at 12 credits.

Differential Rates

- Base: billed to on-campus students not part of programs associated with those listed below
- Business: billed to on-campus students in the NCoBPA, including pre-majors. For Grad programs, does not include Accounting, Applied Economics, or Business Administration (MBA).
- Accounting: billed to Graduate students in Accounting program.
- Applied Economics: billed to Graduate students in Applied Economics degree and certificate programs.
- Business Administration: billed to Graduate students in Business Administration program.
- Social Work: billed to on-campus students in Social Work program. Does not include pre-majors. Begins upon admission to the program
- Engineering: billed to on-campus students in the CEM, including pre-majors
- Nursing: billed to nursing students. Does not include pre-majors. Begins upon admission to the program.
- N&D: billed to Nutrition and Dietetics students.
- Aviation: billed to Undergrad students in Aviation, including management and UAS, including pre-majors.
- Anesthesia: billed to students in Anesthesia program. Begins upon admission to the program.
- Aerospace: billed to Graduate students in JDOAS
- A&S: billed to Graduate students in A&S.
- Education: billed to Graduate students in CEHD, not including Grad Counseling students admitted in 2130 or later.
- Counseling - MA and CERT - Respecialization: billed to online Graduate students in Counseling Masters and Grad Certificate in School Counseling-Respecialization.
- Counseling -CERT Educators: billed to online Graduate students in Certificate School Counseling for Educators.
- Education-Doctoral: billed to online Graduate students in the Education-Doctoral program.

Aviation: BS in Aeronautics with major in: Air Traffic Management, Aviation Studies, Commercial Aviation, Flight Education, Unmanned Aircraft Systems
BA in Business Administration with major in: Airport Management and Aviation Management

Active Duty Military Tuition: Undergrad active duty military students using tuition assistance, not in Aerospace (IDOAS) or Engineering (CEM) programs, including Geology and Computer Science. Tuition rate will be updated to AD Military rate once student submits TA form to SAS each term. Enroll-anytime (SPEA) courses do not qualify for AD Military Rate

Course Fees: Student teaching, flight costs, study abroad and field trips, individual music lessons, marching band, and some physical education courses.
